**DECLARATION OF PROTECTIVE COVENANTS FOR SUMMER RIDGE  
A SUBDIVISION CREATED PURSUANT TO THE PLAT KNOWN AS BLUFF PARK  
RESURVEY, FIRST SECTOR, RECORDED  
IN MAP BOOK 176, PAGE 35 IN THE  
PROBATE OFFICE OF JEFFERSON COUNTY, ALABAMA**

KNOW ALL MEN BY THESE PRESENTS THAT: WHEREAS the undersigned REGENCY DEVELOPMENT, INC., an Alabama corporation (hereinafter referred to as "Developer") is the owner of those certain lots (the "Lots") located in Summer Ridge (the "Subdivision"), a subdivision created pursuant to Bluff Park Resurvey, First Sector, as recorded in Map Book 176, Page 35, in the Probate Office of Jefferson County, Alabama (the "Property").

WHEREAS, the Developer desires to establish uniform standards of development quality and to provide for the effective preservation of the appearance, value and amenities of the Property, which will benefit all owners of Lots within the Property (the "Owners") and, to this end, desires to subject the Property to the conditions, limitations, and restrictions hereinafter set forth.

NOW, THEREFORE, the Developer declares that the Property is and shall be held, transferred, sold, conveyed and occupied subject to the following protective covenants, conditions, and limitations, all of which shall be construed as and deemed as covenants running with the land and shall be binding on and inure to the benefit of

all parties having a right, title, or interest in the Property, as well as their heirs, successors, and assigns, to-wit:

**ARTICLE I**

**PROPERTY SUBJECT TO THIS DECLARATION,  
ADDITIONS THERETO, DELETIONS THEREFROM**

1. Legal Description. The real property which presently is and shall be held, transferred, sold, conveyed and occupied subject to this Declaration is located in Jefferson County, Alabama, and is described in the Bluff Park Resurvey, First Sector, as recorded in Map Book 176, Page 35, in the Probate Office of Jefferson County, Alabama. This Declaration shall not apply to any other property owned by Developer or any other person or entity, unless expressly made subject to this Declaration pursuant to Section 2 of this Article I hereof.

2. Additions to Property. Upon the approval in writing of the Association (as defined in Article IV below) or, for so long as the Developer still owns any Lots within the Property, the Developer, the owner of any property who desires to subject it to this Declaration, may file a Supplementary Declaration describing the additional property to be subject to this Declaration. Such described property shall become and be subject to this Declaration at such time as the owner thereof shall file the Supplementary Declaration in the Probate Office of Jefferson County, Alabama, and if the additional property is located in a county other than Jefferson County, the owner shall file a copy of this Declaration and the Supplementary Declaration in the Probate Office of the county in which the property is located. Such Supplementary

Declaration may contain such complementary additions to and modifications of the Protective Covenants as the Association or the Developer shall determine to be necessary or proper to reflect the different character, if any, of the additional property, provided they are not inconsistent with the general plan of this Declaration. Houses constructed on such additional property may be different in appearance from existing houses.

3. Withdrawals of Property. The Association or, for such time as the Developer owns any Lots within the Property, the Developer, may at any time or from time to time withdraw portions of the Property from this Declaration, provided only that the withdrawal of such portions of the Property shall not, without the joinder or consent of the Owners of Lots constituting over one-half of the then existing Lots, increase by more than one-fourth the share of Association expenses payable by the Owners of Lots which would remain subject hereto after such withdrawal. The withdrawal of Property as aforesaid shall be evidenced by filing a Supplementary Declaration setting forth the portions of the Property to be so withdrawn in the Probate Office of Jefferson County, Alabama, and if the property is located in a county other than Jefferson County, the Supplementary Declaration shall also be filed in the Probate Office of that county.

4. Platting and Subdivision of the Property. The Developer shall be entitled at any time and from time to time, to subdivide, plat and/or re-plat all or any part of the Property, and to file

subdivision restrictions and/or amendments thereto with respect to any undeveloped portion or portions of the Property.

5. Merger. The Association may merge or consolidate with another owners association now existing or hereafter created. Upon a merger or consolidation of the Association with another association, its properties, rights and obligations may, by operation of law, be transferred to the surviving or consolidated association, or alternatively, the properties, rights and obligations of another owners association may, by operation of law, be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. To the greatest extent practicable, the surviving or consolidated association shall administer the covenants and restrictions established by this Declaration with the Property, together with any surviving covenants and restrictions established upon any other properties as one scheme, but with such differences in the method or level of assessments to be levied upon the Property and such other properties as may be appropriate, taking into account the different nature or amount of services to be rendered to the owners thereof by the surviving or consolidated association. No such merger or consolidation, however, shall effect any revocation, change, or addition to the covenants established by this Declaration except as expressly adopted in accordance with the terms hereof.

## ARTICLE II

### ARCHITECTURAL CONTROL

6. Architectural Control Committee. The architectural review and control functions shall be administered and performed by the Architectural Control Committee (hereinafter referred to as the "ACC"). For such time as the Developer shall own any Lots within the Property, or until such time as the Developer relinquishes control of the ACC, the ACC shall be comprised of three (3) people appointed by the Developer from time to time. At such time as the Developer sells all of the Lots in the Property to third parties or otherwise relinquishes control of the ACC, the Owners of the Lots, by majority vote, shall elect three (3) Lot Owners to serve as the ACC, and each such ACC member shall have a 33.33% vote. In the event of the death, resignation, or disability of any member of the ACC who was elected by the Association or designated by other ACC members, the remaining member or members of the ACC shall have full authority to designate a successor and the remaining member or members shall have full authority to approve or disapprove plans and specifications. In the event that any one of the members is unable to meet for any reason, the remaining members shall have all necessary authority to make decisions. A majority of the ACC may designate a representative to act for and on its behalf. No members of the ACC shall be entitled to any compensation for services performed pursuant to this Declaration. At any time after Developer relinquishes control of the ACC or sells all the Lots, the Owners of a majority of the Lots shall have the power, through

a duly recorded instrument, to change the membership of the ACC, to remove a member from the ACC, or amend any of the powers and duties of the ACC.

7. Powers and Duties of the ACC. All plans and specifications, including the plot plans of residences on any lot in the Property, shall be filed with and approved by the ACC before any construction may be commenced. The ACC shall have the authority to require modifications and changes to submitted plans and specifications if it deems the same necessary, in its sole judgment, to obtain conformity of the proposed dwelling with the restrictions hereof. All plans must include a summary specifications list of proposed materials and samples of any exterior materials which cannot be adequately described on the plans or any materials with which the committee is unfamiliar.

The ACC may also require such additional information as reasonably may be necessary for the ACC to evaluate completely the proposed structure or improvement in accordance with this Declaration. All information submitted to the ACC shall be delivered to the Developer at 2090 Columbiana Road, Suite 4000, Vestavia Commerce Center, Birmingham, Alabama 35216, or such other address as may be designated by the ACC. The approval by the ACC of plans and specifications submitted for its approval, as herein specified, shall not be deemed to be a waiver by the ACC of the right to object to any of the features or elements embodied in such plans or specifications if and when the same features and elements are embodied in any subsequent plans and specifications submitted

for approval for use of other Lots. The ACC must approve or disapprove the submitted plans and specifications for any improvement or structure as hereinabove described prior to commencement of construction of such improvement or structure; however, in the event that the ACC shall fail, for a period of ten (10) days from the date of receipt of such submission, to approve or disapprove any plans or specifications submitted to it for approval, the same shall be deemed to have been approved. THE ACC DOES NOT ASSUME BY THE FILING HEREOF ANY RESPONSIBILITY OR AUTHORITY TO REVIEW FOR STRUCTURAL SOUNDNESS, COMPLIANCE WITH BUILDING OR ZONING CODES OR STANDARDS, ANY LAWS, RULES, OR REGULATIONS OR OTHER FACTORS.

8. Necessity of Architectural Review and Approval. The authority to review and approve any plans and specifications as provided herein is a right and not an obligation. Contractors and Owners shall have the sole obligation to oversee and to construct dwellings in accordance with the restrictions hereof and the plans and specifications approved by the ACC. Any remodeling, reconstruction, alterations or additions to an existing residence shall not require the written approval of the ACC, but shall comply with all restrictions and covenants.

9. Basis for Disapproval of Plans.

A. The ACC shall have the right to disapprove any plans and specifications submitted for approval for any of the following reasons:

(i) failure of such plans and specifications to comply with the covenants and restrictions herein set forth;

(ii) failure to include information in such plans and specifications as may have been reasonably requested by the ACC;

(iii) objection to the exterior design, appearance or materials of any proposed structure or improvement;

(iv) incompatibility of any proposed structure or improvement or use thereof with existing structures or uses upon other Lots in the Property;

(v) objection to the site plan, clearing plan, or drainage plan for any parcel;

(vi) objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any proposed structure or improvement;

(vii) failure of plans to take into consideration the particular topography, vegetative characteristics and natural environment of the Lot;

(viii) any other matter which, in the reasonable judgment of the ACC, would render the proposed structure, improvements, or uses inharmonious with the general plan of the improvement of the Property or with structures, improvements or uses located upon other Lots in the Property.

(b) Approval of plans and specifications submitted to the ACC shall terminate and be rendered void if construction is not begun within six (6) months after the date of the certificate evidencing

such approval, unless such six (6) month period is extended by the ACC (in which event the extended time period shall be the applicable period).

(c) In any case where the ACC shall disapprove any plans and specifications submitted hereunder, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action was based. In any such case the ACC shall, if requested, make reasonable efforts to assist and advise the applicant in order that an acceptable proposal can be prepared and submitted for approval.

10. Failure to Obtain Approval. If any structure or improvement shall be altered, erected, placed or maintained upon any Lot, or any new use commenced on any Lot, otherwise than in accordance with plans and specifications approved by the ACC pursuant to the provisions of Article II, such alteration, erection, maintenance, or use shall be deemed to have been undertaken in violation of this Declaration, and without the approval required herein, and, upon written notice from the ACC, any such structure or improvement so altered, erected, placed or maintained upon any Lot in violation hereof shall be removed or realtered, and such use shall be terminated, so as to extinguish such violation.

If, within fifteen (15) days after the notice of such a violation, the Owner of the Lot upon which such violation exists shall not have taken reasonable steps toward the removal or

termination of the same, the ACC shall have the right, through its agents and employees, to enter upon such Lot and to take such steps as may be necessary to extinguish such violation and the cost thereof shall be a binding, personal obligation of such Owner as well as a lien (enforceable in the same manner as a mortgage) upon the Lot in question. The lien provided in this covenant shall not be valid as against a bona fide purchaser (or bona fide mortgagee) of the Lot in question unless a suit to enforce said lien shall have been filed in a court of record in Jefferson County prior to the recordation among the land records of Jefferson County of the deed (or mortgage) conveying the Lot in question to such purchaser (or subjecting the same to such mortgage).

11. Certificate of Compliance. Upon completion of the construction or alteration of any structure or improvement in accordance with plans and specifications approved by the Committee, the Committee shall, upon written request of the Owner thereof, issue a certificate of compliance in form suitable for recordation, identifying such structure or improvement and the Lot on which such structure or improvement is placed, and stating the plans and specifications, the location of such structure or improvement, and the use or uses to be conducted thereon have been approved, and that such structure or improvement complies with the requirements of the ACC. Preparation and recording of such certificates shall be at the expense of such Owner. Any certificate of compliance issued in accordance with the provisions of this Section 7 shall be prima facie evidence of the facts therein stated, and as to any

purchaser or encumbrancer in good faith and for value, or as to any title insurer, such certificate shall be conclusive evidence that all structures or improvements on the Lot, and the use or uses therein, comply with all the requirements of this Article II, and with all other requirements of this Declaration as to which the ACC exercises any discretionary or interpretive powers.

12. Inspection Rights. Any agent of the ACC may at any reasonable time or times enter upon and inspect any Lot and any improvements thereon for the purpose of ascertaining whether the maintenance of such Lot and the maintenance, construction, or alteration of structures and improvements thereon are in compliance with the provisions hereof; and neither Developer nor the ACC nor any such agent shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

13. Waiver of Liability. Neither the ACC nor any architect nor agent thereof, nor the Developer, nor any partner, agent, or employee of any of the foregoing, shall be liable in any way for: (i) any failure of structures or improvements to comply with requirements of this Declaration, regardless of whether a certificate of compliance has been issued; (ii) any defects in any plans and specifications submitted, revised or approved in accordance with the foregoing provisions; (iii) any structural or other defects in any work done according to such plans and specifications; (iv) any judgment or decision, action or inaction, rendered in order to attempt to carry out the terms set forth in this Declaration or in carrying out or failing to carry out the

responsibilities of the members of the ACC; and (v) any claim that enforcement of this Declaration constitutes an interference with contractual relations or violates any other law, rule or regulation. All persons submitting any such plans and specifications, and all persons relying thereon, agree not to sue or claim damages of any nature against the entities and persons referred to in this Section 8 for any cause of action arising directly or indirectly out of the matters referred to in this Section 8 and/or any decision made by the ACC or such other person enumerated herein to carry out the terms of this Declaration, and further agree to and do hereby release said entities and persons from any and every such cause and further, each Lot Owner agrees to indemnify and hold the Developer and the ACC harmless from each and every claim, cost or expense, including, but not limited to, court costs and attorney's fees incurred by the Developer and the ACC arising directly or indirectly from actions or inactions taken in connection with the enforcement of these covenants. This provision shall be construed broadly to protect the ACC, the Developer and others described herein against any claim, action or demand arising directly or indirectly from the enforcement of this Declaration and actions taken in connection therewith.

Upon the completion of a residence, all front yards will be landscaped with solid sod. The rear and side yards may be sprigged, seeded, or solid sod.

10. Satellite Dishes. No satellite dishes, microwave dishes or radio antennae shall be permitted.

11. Enforcement. The covenants and restrictions herein shall be deemed to be covenants running with the land. If any person shall violate or attempt to violate any of such restrictions or covenants, it shall be lawful for the undersigned Developer or any persons owning any Lot on said land: (A) to prosecute proceedings at law for the recovery of damages against the person or persons so violating or attempting to violate any such covenant or restriction, or (B) to maintain a proceeding in equity against the person or persons so violating or attempting to violate any such covenant or restriction for the purpose of preventing such violation; provided however, that the remedies in this paragraph contained shall be construed as cumulative of all other remedies now or hereafter provided by law.

12. Protective Covenants Running with the Land. It is understood and agreed that the foregoing covenants and restrictions shall attach to and run with the land for a period of twenty-five (25) years from the date hereof at which time these covenants and restrictions shall be automatically extended for successive periods of ten (10) years, unless by a vote of the majority of the then

owners of the lots, it is agreed to change same in whole or part. It shall be lawful for the Developer and Lot Owners to institute and prosecute any proceedings at law or in equity against that person, persons, corporation or corporations violating or threatening to violate these covenants and restrictions. Failure to institute proceedings for any one or more violations shall not constitute approval of same or be construed as a waiver of any right of action contained herein for past or future violations of these covenants and restrictions.

13. Alteration. These covenants and restrictions may be altered only with the consent of a majority vote of Lot Owners or, for so long as Developer owns any Lot or Lots, agreement of the Developer.

14. Notices. Any notice required to be sent to any Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed by United States mail, postage paid, to the street address of the Lot owned by such Owner.

15. Severability. Each and every covenant and restriction contained herein shall be considered to be an independent and separate covenant and agreement, and in the event any one or more of said covenants or restrictions shall, for any reason, be held to be invalid or unenforceable, all remaining covenants and restrictions shall nonetheless remain in full force and effect. Invalidation of any provision or provisions hereof by judgment or court order shall in no way affect any previous other provision, all of which shall remain in full force and effect.

16. Governing Law. Should any dispute or litigation arise between any of the parties whose rights or duties are affected or determined by this Declaration as the same may be amended from time to time, said dispute or litigation shall be governed by the laws of the State of Alabama, City of Hoover and County of Jefferson.

19. Effective Date. This Declaration shall become effective upon its recordation in the office of the Judge of Probate of Jefferson County, Alabama.

#### ARTICLE IV

##### OWNER'S ASSOCIATION

1. Definitions.

(a) The Articles of Incorporation: The Articles of Incorporation of the Summer Ridge Homeowners Association, Inc., a nonprofit corporation.

(b) The Association: The Summer Ridge Homeowners Association, Inc., its successors and assigns.

(c) The By-Laws: The By-Laws of the Summer Ridge Homeowners Association, Inc.

(d) Member: A person or other entity who is a record owner of any Lot within Member's Property, subject to the terms of the Articles of Incorporation and Bylaws of the Association.

(e) Member's Property: The real estate described as "the Property" in the recitals to this Declaration.

(f) Common Areas: Those portions of the Property which are of common use and benefit to all Owners and are not subject to annual and special assessments of the Association, such areas to include, without limitation, the entry way to the Property, all street lighting now or hereafter installed on the Property, any and all easements granted or to be granted for the common benefit of the Owners, wooden fences constructed or to be constructed across the back property lines of Lots 131 through 143 and across the side property lines of Lots 145 and 146 (and/or in such other locations as Developer shall determine in its sole discretion), and other areas as may be designated "Common Areas" by the Developer or the Association.

2. Entry Way. The Developer has constructed an entry way which is located at the entrance to the subdivision. The entry way cannot be altered or changed in any way without the written permission from the ACC. Developer, for the benefit of the Association, herein reserves an easement on that portion of the Property upon which the entry way is constructed (as shown on the subdivision plat filed with respect to the Property) in order to maintain the entry way. Said entry way, together with any street

lights which may hereafter be installed on the Property, constitute part of the Common Areas of the Property.

3. Operation of the Association. The voting rights of Members, the election of officers and directors, and all other aspects of operation of the Association, including but not limited to Developer's rights regarding the same, shall be subject to the terms and conditions of the Articles of Incorporation and By-Laws of the Association.

4. Lien For Dues and Assessments.

A. Each Lot Owner shall be a Member of the Association; provided, that if any Lot is owned by two or more persons, only one such Owner shall be entitled to vote on Association matters. The rights of membership in the Association are subject to the payment of annual assessments and charges. The obligation of such assessments and charges is imposed against each Lot and is a lien upon the Member's Property against which such assessment or charge is made, which in substance is as follows:

B. All Member's Property except for the Common Areas shall be subject to a continuing lien for assessments levied by the Association in accordance with the provisions of this Declaration. The annual assessments and charges together with interest thereon and the costs of collection thereof (including reasonable attorney's fees) as hereinafter provided, shall be a charge on, and shall be a continuing lien upon, the Member's Property against which each such assessment or charge is made. All Member's Property shall be held, transferred, sold, conveyed, sued, leased,

occupied, mortgaged and otherwise encumbered subject to all the terms and provisions of this Declaration, the Articles of Incorporation and the By-Laws applicable to Member's Property including, but not limited to, the continuing lien herein described.

C. Upon delivery of a deed to a Lot or Lots within the Property, each Owner shall pay an assessment of \$35.00 per Lot for maintenance of the entry way, landscaping of Common Areas, and other uses as determined by the Association. An annual \$35.00 assessment shall be due and payable to the Association on the first day of January of each year, said amount being delinquent if not paid by the 31st day of January following the due date therefor. All assessments so collected by the Association shall be placed in an interest-bearing account established by the Association. Collection of assessments, maintenance of Common Areas and landscaping shall be the sole responsibility of the Association.

D. The Association may, in its discretion increase or decrease the amount of the annual assessment described in paragraph C above, or impose assessments in addition to the annual assessment to defray costs incurred by the Association or the ACC. Any special assessments so imposed shall have the same force and effect as the annual assessment and shall constitute a continuing lien on the Lots to secure payment thereof.

E. Each Member, by acceptance of a deed or other conveyance to a Lot within Member's Property, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to

covenant and agree to pay to the Association the annual assessments, special assessments and charges, such assessments to be fixed, established and collected from time to time as determined by the Association. Each such assessment, together with interest and costs of collection, including reasonable attorney's fees, shall be the personal obligation of the person or persons who is or are the Owner of any one or more Lots within such Member's Property at the time when the assessment fell due.

D. The assessments levied by the Association shall be used exclusively for the purpose of providing any and all of the services and activities as may be to the mutual benefit of the Members, maintaining, operating, and repairing of the Common Areas, repair, replacement and additions thereto, and for the cost of labor, insurance, equipment, materials, and supervision thereof, for other purposes beneficial to the Members as determined by the Association and for the purpose of carrying out the functions, purposes, responsibilities and duties of the Association and the ACC. The Association does not assure that such services will be provided and nothing herein shall be construed as an obligation to provide any such services.

E. The assessments applicable to Lots shall be set by the Board of Directors of the Association.

F. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eight percent (8%) per annum. The Association may bring an action at law against the Member personally obligated to pay the same, or

foreclose the lien against the Member's Lot. No Member shall waive or otherwise escape liability for the assessments provided for in the Declaration or in these By-Laws by non-use of the Common Areas or other areas to which assessments are applied or abandonment of the Member's Property owned by such Member.

G. The lien of any assessment or charge authorized by the Declaration or the By-Laws with respect to Member's Property is subordinate to the lien of any bona fide mortgage on such Member's Property if, but only if, all assessments and charges levied against such Member's Property falling due on or prior to the date such mortgage is recorded have been paid. The sale or transfer of any Member's Property pursuant to a mortgage foreclosure proceeding, or a proceeding in lieu of foreclosure, or the sale or transfer of such Member's Property pursuant to a sale under power contained in a mortgage on such property shall extinguish the lien for assessments falling due prior to the date of such sale, transfer or foreclosure, but the Association shall have a lien on the proceeds of such sale senior to the equity of redemption of the mortgagor. The foregoing subordination shall not relieve a Member whose Member's Property has been mortgaged of his personal obligation to pay all assessments and charges falling due during the time he is the owner of such property.
